# MOTHER DELPHINE FONTBONNE BUS TOUR

Join the U.S. Federation of the Sisters of St. Joseph on this pilgrimage to tap into our U.S. roots, tracing the steps of Mother Delphine Fontbonne from her arrival at Carondelet, to Philadelphia and finally to Toronto.

Each day Sr. Mary McGlone will offer reflective talks about our history, including behind-the-scenes and sideline stories that haven't been published in *Anything of Which a Women is Capable*. This week-long tour will feature visits to many historic sites, daily prayer, and public receptions. We will also have time for shared reflections and free time to enjoy the scenery.

**Membership:** The U.S. Federation recently expanded membership from sisters to include agrégées, associates, partners in mission, and the St. Joseph Worker community. The cost is \$50 to join. To become a member, sign-up at:
