

Prayer in the Spirit of Two Trinities

*God of inclusive Love,
Christ of Outpouring Love,
Spirit of Communal Love,
breathe in us and among us.*

*We join together with the zeal of Jesus,
courageous, humble and self-emptying...*

*the fidelity of Mary, filled to overflowing
with every kind of grace... and*

*the cordial charity of Joseph, grounded
in relationship with God ...*

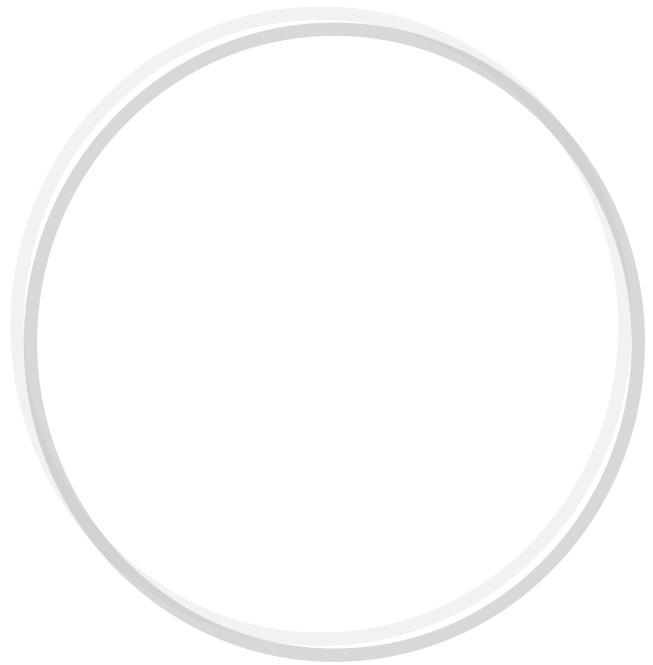

and neighbor without distinction.

*We are rooted in the rich heritage of those
who have gone before us.*

*We are seized by the same Love
which impelled them to be in relationship
with the reality of their changing world
and changing times.*

*We are inspired by their vision,
their integrity ...
and their fidelity.*

*We continue in this,
our changing world and times
together with courage and hope.*

*You, O God, every sister and brother
throughout the world, our Earth, and
all creation, call us to embrace ever
widening circles of communion.*

*May this moment in time and this
time of shared prayer and reflection
together*

Impel us to action ...

*action that stirs up Love ...
is connective and inclusive,
and deepens our commitment
to move ever toward Oneness
as Your People.*
