

# Change for Global Change Selfie Campaign 2021

## How Do You #LoveEarthBoldly?

As Sisters of Saint Joseph, Associates, and Partners in Mission, we strive to “love boldly”, including loving and caring for our planet and all of creation. This year, we invite you to share with us on **Facebook and Instagram** how you **#LoveEarthBoldly** by participating in our “selfie campaign.”

*Are you committed to not using plastic shopping bags or bottled water?*

*Have you switched to all LED light bulbs in your home?*

*What else might you do to conserve natural resources and preserve endangered species?*

*Have you been / Will you be a contributor to our fund that provides grants for sustainability?*

*We want to hear from you!*

Print the sign below and fill in where and how you **#LoveEarthBoldly**. Then take a selfie holding the sign, and post it to your Facebook and/or Instagram page. Be sure to use the hashtag **#LoveEarthBoldly** and tag us (@changeforglobalchange) in your post. Let all your friends know how you are doing your part to **#LoveEarthBoldly** and support the good work of **Change for Global Change!**
