

God of the universe,
We thank You for Your many good gifts -
For the beauty of Creation and its rich and varied fruits,
For clean water and fresh air, animals and plants.

Forgive us for the times we have
wasted what You have given us.
Transform our hearts and minds
So that we would learn to
touch the earth with gentleness and with love,
Respecting all living things.

We pray for all those who suffer as a result of our waste,
greed and indifference,
And we pray for the day when everyone has enough
food and clean water.
Help us to respect the rights of all people and all species
And help us to willingly share your gifts
Today and always. Amen.

— Fiona Murdoch, Eco-Congregation Ireland
