"The model of our love for God and charity towards the neighbor, where will it be better found than in the Blessed Sacrament!

This mystery is called the love of loves.

That is, it sums up in itself and awakens in us the whole extent of all holy loves."

- Eucharistic Letter

During this 60th Anniversary year of the founding of the U.S. Federation of the Sisters of Saint Joseph, we give thanks to God and to those courageous women who dared to co-create this dynamic union which moves the members to "greater consciousness of their kinship in grace and calls them to fidelity to that grace." - U.S. Federation Canonical Statutes
